

AWESOME WEEKEND AT SALOMON STORM THE TRENT

650 intrepid racers, a dedicated and selfless army of race staff, safety personnel and volunteers, a kick-ass host site, and some pretty sweet weather (well, for the most part anyway). All of these elements added up to another spectacular weekend of Storming the Trent! Our biggest event to-date (and quite possibly the largest adventure race ever held in Canada), this year's Storm will be pretty tough to top, and will set the tone as we begin preparations for our **10th anniversary** in 2011!

RESULTS - are now available at www.stormevents.ca/results.htm Watch for full race splits to be posted over the weekend!

PHOTOS - thousands of them! Check them out and find your team's best finish line shots at <http://mikewasthere.zoomphoto.ca/events/>

VIDEO - the best STT vid yet! Check out all the great footage captured by Team RaceDayRush.com from both the Saturday and Sunday events at www.racedayrush.com

THANK YOU'S - may seem like a given, but we are seriously indebted to some seriously amazing people, including the staff at Golden Beach Resort, Mark Arnold of Hark Events, Mike Van Den Bosch, Patty Van Liefeland, Drew Dancy, Steve Rawlinson, Heather Brown, Kathie Zeman, Angus Doughty, Team Running Free, The Highlands Wilderness Training Institute, the Harwood and Roseneath Fire Departments, my awesome family, and our incredible crew of volunteers!

RACE SEASON NOW ON - LOTS MORE AWESOMENESS STILL TO COME!

June 19th - the [Emergency Services Adventure Race](http://www.esar.ca) is coming to the Kitchener-Waterloo region this year, and Storm Racing is proud to be helping out behind the scenes as Hark Events stages their 8th annual ESAR event. All-male, all-female and coed teams of three have the option of the full ESAR 5-8 hour course or the shorter "ESAR-Lite" version, and will be pitted against Ontario's best in Emergency Services teams. With over **80 teams** signed up so far, this year's race is expected to be fully sold out soon - register today at www.esar.ca to guarantee yourself a spot!

July 24th - the 3rd annual [Saucony Rockstar](http://www.racetherackstar.com) is off to a rocking start this year, with over 60% of the available spots having already been filled. With the raving reviews this unique race experience has earned over its first two years, we're definitely expecting to see a full-capacity crowd at the Bark Lake Leadership Centre once again. Teams of two or three have the option of either 4 or 8 hours to complete as much or as little of the racecourse as they wish, and then to party like rockstars under the beautiful Haliburton night sky! www.racetherackstar.com

September 18th - it'll be the most convenient [Salomon Storm the 10](http://www.stormevents.ca/stormthe10.htm) ever this year, with all watercraft and paddling equipment to be provided on-site at no extra charge - all you need is your bike and your running shoes! Add to this an all-new racecourse, live lap results to be displayed at the transition area, an awesome new [race souvenir](http://www.stormevents.ca/stormthe10.htm) offered to the first 200 racers to register, as well as the **guarantee** of a timely awards ceremony - thanks to an amazing new timing software that will be used for the first time ever in Canada. If you missed out on our first Storm race of the year - make certain that you don't miss this one! Check out www.stormevents.ca/stormthe10.htm for all the details.

Hope to see you out there!

Sean Roper
Race Director, Storm Racing
