

### SALOMON STORM THE TRENT - REGISTER NOW!!!

We're not kidding! After an unprecedented kick-start during the first two months of registration for the May 9th event, there are now **less than 80** of the 500 total spots left for this year's *Salomon Storm the Trent!* Given that it is more than likely that this year's race is going to be fully sold out within a matter of weeks, we urge you to register your team today at [www.stormevents.ca](http://www.stormevents.ca)!

Please also note that we are now basically booked up for on-site boat rentals - if your "Hike" or "Trek" team is in need of a canoe and you need it transported to and from the race site, contact us now at **905-580 2767**, as there are only a few left!\*

\* note - all teams in the "Trek Elite" advanced course will have their canoes provided for them

### SALOMON GIANT'S RIB RAID - APRIL 11

Next up on the "must-do" adventure sports calendar is the [Salomon Giant's Rib Raid](#) on Saturday April 11th. The third and final event in the *Salomon Dontgetlost.ca Adventure Running Series*, this 25km or 10km trail running/orienteering race is the perfect gauge of pre-season fitness levels, and never fails to find new and creative ways to explore the magnificent Niagara Escarpment. Hosted again this year at the **Rocky Ridge Ranch** in Milton, this adventure run is guaranteed to be wet, rocky, and tons of fun!

Orienteering-shy teams are welcomed and encouraged to try the **Enduro** short-course option, which is not only shorter in distance than the full Raid, but is quite suitable for racers of beginner to intermediate-level navigation skills. This is a great course for juniors, families and teams new to the sport. Hope to see you there!

### EMERGENCY SERVICES ADVENTURE RACE - JUNE 13

The seventh edition of the [ESAR adventure race](#) will be staged from an all-new site at **CFB Borden** just west of Barrie, and in the heart of Simcoe County. Racers will once again be treated to ESAR's legendary all-out race experience, while pitting themselves against Ontario's best in Emergency Services personnel (civilian teams welcomed!) ESAR offers both regular course and short-course options, enabling racers of all levels to challenge themselves to **5-8 hour** or **3-6 hour** racecourses, that feature all of the standard AR disciplines, as well as the infamous "special task" teamwork events for which ESAR is so well-known (and no, it's not paintball this time!)

Open to 100 teams of three in Fire, Police, EMS, Civilian and Military race categories, ESAR is another event that typically reaches full capacity - be sure to register soon! Storm Racing will again be working behind the scenes at this year's race, in support of our partners at **Hark Events**. Be sure to check out their all-new website, at [www.harkevents.com](http://www.harkevents.com)

### SAUCONY ROCKSTAR - JULY 25

Registration is now open for the smash-hit adventure race of the summer! Racers from last year hailed **Saucony Rockstar** as the rocking-est AR event of the season, awarding it "Best Post-Race Party" honours in *Get Out There Magazine's* annual readers' choice survey. Early entry rates are in effect until May 1st, so sign up today to take advantage of the savings!

Rockstar now features both **4-hour** and **8-hour** racecourse options, designed to offer a true adventure race experience to teams of all skill and ability levels. And with the combined course design and event production experience of both Storm Racing and Hark Events behind it, you can be assured that this race will not disappoint!

Visit [www.racetherockstar.com](http://www.racetherockstar.com) for all the details!

**COOL NEW MULTI-SPORT WEBSITE**

Storm Racing has recently partnered with the guys at [RaceDayRush.com](http://RaceDayRush.com). In fact, not only are we partners, but we like to think of ourselves as the inspiration for the creation of this new multi-sport video-sharing site...

**RaceDayRush.com** brings Race Day excitement to everyday training.

As an adventure racer, you spend lots of time on your bike trainer and treadmill - this site brings some great race footage eye-candy to help you focus. There are some long bike rides for you to race along with, as well as a couple of adventure races (providing random transitions between your treadmill and bike trainer) to give you something new. You might just recognize some racecourses you have raced on as well! Be sure to check it out and sign up - it's free!

---

Looking forward to seeing you again soon!

Sean Roper  
Race Director, Storm Racing
